Important:

Men in Black has performed all of these songs at least once over the past 19 years, but we don't know them all by heart. It is important to let the band know in advance of the songs you **really** want to hear so we can review them if we haven't performed them in a while.

If you want to make song requests, we ask that you Please Don't Mark Up The List and Send it back to us. We'd rather you send us your own list in a word doc or email of 10-25 songs that would make you happy, and we will mix them in throughout the night with our proven "Dance Floor Fillers"

Keep in mind, the band wants to appeal to everyone at the wedding and play songs that will keep the dance floor full all night long. We hope that you will trust us in playing songs that have proven to be "dance floor fillers" and "crowd pleasers" over the years. We try to find a good balance of old and new and try to please all of the age groups throughout the night.
